Elementary Math Camp (Grades K-2) The Elementary Mathematics Summer Camp invites students in grades K-2 for one week to discover how a student-talk-centered inquiry classroom transforms mathematics into a challenging and enjoyable journey of discovery. Children will engage in talk about math through number routines, songs, games, hands-on activities, and individual and small group problem-solving activities.

**July 20 - 24**
9:00 a.m. - 12:00 noon

Elementary Math Camp (Grades 3-5) The Elementary Mathematics Summer Camp invites students in grades K-2 for one week to discover how a student-talk-centered inquiry classroom transforms mathematics into a challenging and enjoyable journey of discovery. Children will engage in talk about math through number routines, games, hands-on activities, and individual and small group problem-solving activities.

**July 27 - 31**
9:00 a.m. - 12:00 noon

Tuition - $90 a week

Location
Both camps are located at The College School, 459 Wyoming Road, Newark, Delaware (in the building toward the back of the property). For further directions please visit: http://www.udel.edu/maps

Enrollment Application continued from reverse side

Part III: Parent Information

By completing this registration form, I hereby grant permission for my child to attend one of the Summer Math Camps. Photographs of my child may be taken and used for presentations and/or publication. I give permission for the Teachers/PDCE Staff to provide Internet and/or computer access to my child. I understand that it is impossible to restrict access to all controversial material, but that care will be taken to monitor student use. I will not hold the Teachers/PDCE responsible for student misuse of Internet and/or computer access. In case of emergency, I give permission for my child to receive medical treatment.
