

UD's Professional Development Center for Educators invites teachers of grades PK-6 to attend the following workshops:

Responsive Classroom teaching practices help you to become a more effective teacher. These courses, offered by UD's PDCE are highly interactive, teaching practical applications.

Responsive Classroom Course (RCC) workshops:

RCC focuses on the skills and practices of building positive community, effective management, and engaging academics. Participants explore key Responsive Classroom teaching practices: Morning Meeting, Academic Choice, rule creation, Interactive Modeling, positive teacher language, and responding to misbehavior (including logical consequences).

**Newark Campus –PDCE 200 Academy Street
July 12-15 from 9:00 am - 3:30 pm**

**Georgetown - Delaware Technical and
Community College
21179 College Drive-Jason Building Room 164,
August 2-5 from 9:00 am - 3:30 pm**

Responsive Classroom Advanced Course (RCAC):

RCAC focuses on teaching strategies for engaging academics and effective management. You will learn how to create a calm, orderly environment that promotes autonomy and how to create learning tasks that are active, interactive, appropriately challenging, and connected to students' interests.

**Newark Campus –PDCE 200 Academy Street
June 28-30 & July 1 from 9:00 am - 3:30 pm**

For more information about *Responsive Classroom*, visit:
www.responsiveclassroom.org

Responsive Classroom courses offered at discounted rate!

Each four-day training will only cost \$670! This is about a \$100 savings from the RCC courses typically offered by Center for Responsive Schools.

The workshops are designed by the Center for Responsive Schools and conducted by a certified Responsive Classroom facilitator. You will receive a certificate upon completion of the course.

There is a maximum of 30 participants for each course. The deadline for registration is May 29, 2016.
